You've had a Lakewood guitar for a long time and now you cannot find it within our guitar range? Maybe you are luckier here. . . This is a list of older guitar models that have been taken out of the series program. Most of them are still available via our customshop.

With Chakté Viga, a new and promising wood enters the stage. Clarity and balance are paired with an elegant aesthetic. Combined with a hazel spruce top and subtle rosewood purfling, the result is a beauty unlike any other. The new "Stars" fingerboard inlay of mother-of-pearl and color-accented wood adds a special touch to the M-41 Edition 2023.
